GSIS ON-LINE REGISTRATION

Los Angeles, 14 November 2008 – In line with the government's efforts to provide better services to the retirees, the Government Services Insurance System (GSIS) has announced that, effective immediately, GV@PS on-line registration process for e-card enrollment, activation and re-activation through Skype is now operational.

For information on the on-line registration procedure, pensioners may visit the website of the GSIS (www.gsis.gov.ph) or the Consulate (www.philippineconsulatela.org).

With Skype, pensioners will not be required to visit the Consulate and on-line registration could be done in the comfort of their home.

The pensioners are also informed that the GV@PS Kiosks previously installed at the Philippine Consulate General in Los Angeles have been pulled out by the GSIS. ###end
