In view of the anticipated high volume of applicants and in order to ensure an orderly flow of operations, this Consular outreach shall be guided by the following:

1. All Applicants for any of the above consular services are requested to set up an **appointment** with the Consulate through **fax (213) 639-0990, not later than 23 September 2009**.
2. **Passport Applicants** should send an advance copy of their passport application forms and data page (bearing the name and photo) of their passports to the Consulate either by fax or by email. Incomplete forms will not be processed.
3. **Dual Citizenship Applicants** should send an advance copy of their application forms and supporting documents. Incomplete forms will not be processed.

4. Names of all applicants with **pre-processed applications** will be posted at the Consulate's website (www.philippineconsulatela.org) by **23 September 2009**. **Personal appearance** is required for all applicants.
5. While **walk-in applicants** will also be **entertained**, **priority** will be given to those with **pre-processed applications** with the Consulate, as posted in the website. All **applicants** are **advised** to **transact** their **business** directly with **Consulate officials** and not through travel agencies.

For general information, interested parties may wish to call **Vice Consul Charmaine Serna-Chua (Tel: 1-213-637-3004)** of the Consulate, or **Ms. Marie Cunning (Tel: 1-602-573-6936)** or **Mr. Chito Vilar (Tel: 1-602-488-2679)** of FABCCA.

For the information of the public, the Philippine Embassy and Consulates General in the U.S. started to accept and to process applications for Machine Readable Passports (MRP) on **June 2, 2008**. This is in compliance with the requirements of the International Civil Aviation Organization (ICAO) for its member states, including the Philippines, to issue MRPs not later than **1 April 2010**.

Since applications received by the Philippine Foreign Service Posts in the U.S. will be sent to the Department of Foreign Affairs in Manila via diplomatic pouch, it will take **six weeks** for a passport to be released to the applicants, from the time the application is accepted. **Personal appearance** for all will be required for data verification, fingerprinting and signature capture. Applications by mail will no longer be accepted.

In compliance with the new photo requirements for the MRP, applicants are requested to visit the Consulate's website.

While **some countries** may still **honor** valid **green Philippine** passports beyond 1 April 2010 as **bona fide travel documents** until they expire, **most countries** will **require** travelers to hold either **MRP or e-Passport** for their sojourn by **2010**.

Thus, all Filipinos, including those with valid green passports, are therefore encouraged to apply for their machine readable passports as early as possible. ###end
