Los Angeles, 18 February 2016 – President Benigno S. Aquino III held a business meeting with AECOM Enterprise Growth Solutions on 16 February 2016 in Los Angeles, CA.

In their meeting, the two discussed possibility on how AECOM can expand its operations with the hiring and training of Filipino engineers and architects. Also in the agenda was AECOM's partnership with the private sector clients in the field of infrastructure development.

AECOM's Enterprise Growth Solutions is one of the largest companies with a global network of experts delivering clean water and energy, building skyscrapers, planning new cities, restoring damaged environments. It employs hundreds of architects, engineers, designers, planners, scientist and management professionals. It currently serves more than 150 clients worldwide.
