Los Angeles, 09 August 2016 – Honorable Rhodora Cadiao, Governor of Antique, together with the Officers of Antique Circle USA, Inc. (ACUSA) paid a courtesy call on Consul General Adelio Angelito Cruz on 08 August 2016.

Governor Cadiao attended the 24th Anniversary celebration of ACUSA and the coronation of Miss ACUSA 2016 held on 07 August 2016.

ACUSA is a non-profit, non-sectarian and non-political Fil-Am organization of Antiqueños in America caring for fellow Antiqueños in Southern California, North America and, especially, in the province of Antique.

Governor Cadiao expressed her thanks to the Philippine Consulate General in Los Angeles for its support to ACUSA. She called for the continued friendship and partnership between the two institutions in upholding the welfare of Filipinos in the US and in the Philippines.

Consul General Cruz, in return, thanked the Governor for paying a courtesy visit to the Consulate General. He commended the members of ACUSA for their noble tradition of celebrating their Filipino heritage and giving back to their hometown.

Consul General Cruz took the opportunity to encourage ACUSA to engage the youth in its programs and activities and inspire them to be politically active. Consul General Cruz believes that this would help prepare the next line of Filipino community leaders and social movers. He assured ACUSA of the full support of the Consulate in these endeavors.
