

# NOTICE TO THE PUBLIC

The Philippine Consulate General wishes to inform the public that its online appointment system is now accepting requests for appointments for dual citizenship and passport services. Appointments will be scheduled beginning 01 March 2019. ([click here to set up an appointment](#))

*Kababayans* applying for passport and dual citizenship are encouraged to avail themselves of the appointment system to optimize time spent at the Consulate. Those with confirmed appointments, and who arrive on time with their complete documentation, are ensured of their slots regardless of the available queuing hours for the day.

Please note that the queuing system closes queues automatically, sometimes earlier than the cut-off time, based on the number of waiting applicants and the remaining business hours.

Applicants are expected to come prepared with all the required documents, sufficient photocopies of documents, and accomplished forms.

Thank you for your continued cooperation and support.
