Post respectfully informs the Department that the US Census Bureau visited the Consulate General on 13 March 2019. The Bureau was represented by Partnership Specialists Ivy Daulo and Mariecris Treece who provided a brief presentation on the function of their Bureau, the importance of conducting the census, and the timetable for the upcoming decennial census in 2020. The Consulate General and the US Census Bureau also explored potential areas of collaboration that will benefit the Overseas Filipinos under the Consulate's jurisdictions.

Attached is a copy of a press release on the matter.

For the Department's information and consideration.

ADELIO ANGELITO S. CRUZ
Consul General
