

Consul General Cruz Keynotes Commencement Exercises of the Ambassador School of Global Leadership

07 June 2019, Los Angeles – Consul General Adelio Angelito Cruz was invited by the Ambassador School of Global Leadership, The Robert F. Kennedy Community Schools, to be the keynote speaker during its 2019 Commencement Exercise.

Consul General Cruz’s inspirational remarks drew from life lessons he gained in the foreign service, being a career diplomat and a family man at the same time. He challenged the students with a piece of advice that his late father taught him, “*to live a life of humility, dignity and honor*”. The Consul General also honored the parents and members of the academe for their dedication in preparing the youth to face the future. (left photo)
