24 October 2019, Los Angeles – The Philippine Consulate led the installation of the newly elected officers of the Siliman University Alumni Association of Southern California (SUAASC) on 19 October 2019, Saturday, in the City of Montebello, CA.

Prior to inducting the elected officers, Consul Rea G. Oreta delivered a message citing the University's good standing and ranking among Christian Universities in the Philippines. She challenged the Association to continue imbibing the "Siliman spirit" as it continues to serve the Filipino-American community in Southern California. She also encouraged the Association's young alumni to participate in the annual Filipino Young Leaders Program (FYLPRO).

FYLPRO is an annual young leadership program spearheaded by the Philippine Embassy in Washington D.C. and Philippine Consulates General in the United States of America in cooperation with the Ayala Foundation. FYLPRO selects outstanding young professionals in the Filipino communities across the United States and brings them to an immersion program in the Philippines, including an interaction with distinguished Filipinos and government leaders.

Newly installed SUAASC President, Faith Manigsaca Duran, expressed her appreciation to her fellow Silimianians for the trust given to her and assured them that she would take the lead in promoting goodwill.

Joining Consul Oreta were Post's Information Officer, Mary Grace D. Leaño; and Consular Assistant, Edgardo Lim.

SUAASC is a 41-year old Filipino community organization that aims to maintain the cordial relations among the Siliman alumni based in Southern California. END.
