## **SHELTERING AT HOME DOES NOT MEAN ALL MEALS SHOULD BE HOMEMADE...**

The Philippine Consulate General in Los Angeles encourages the Filipino-American community in Los Angeles to support Filipino and Filipino-American-owned Small and Medium Enterprises (SMEs), especially restaurants, to enable them to continue their operations during the quarantine period.

You can order your next meal from several Filipino restaurants that have remained open for delivery and takeout services. Another way of supporting them is through buying gift cards for future dine-in experiences.

For the community's consideration and patronage, the list of Fil-Am SMEs, their services and promotional activities can be seen on the Facebook Group created by our friend Joseph Bernardo PhD, "*Support LA's Filipino Small Businesses*", via the following link: <https://www.facebook.com/groups/669475520475319/>

The Facebook group also contains various Fil-Am Community-led initiatives to assist those who are struggling amidst the COVID-19 pandemic.

The Consulate General would like to take this opportunity to wish everyone good health and safety during these trying and uncertain times.
