The 2021 IMPACT! Filipino American Internship Program will be conducted in a fully virtual/remote setting for nine weeks, starting from 07 June to 06 August 2021. The week of 07 June comprises a week-long orientation with fellow IMPACT participants, followed by the start of the internship.

Participants will receive the “Filipino American Youth Political Leadership Award” in the amount of a \$1,000 stipend for participation in the program.

IMPACT!, which is a professional development program created by the USAI, offers a once-in-a-lifetime experience for young Filipino-American adults to gain a firsthand look at the American government and political system in Washington DC, to engage civically, and to reflect on the role they, as future leaders, might play in strengthening U.S.-Philippines relations.
