20 May 2021, Los Angeles – The Philippine Consulate General in Los Angeles cordially invites the Filipino-American community to a Virtual Panel Discussion on the topic, “*Filipino Migration to the United States and the Impact of the Integration of Filipino Immigrants into American Society*,” which will be held on Wednesday, 26 May 2021 at 6:00 p.m. Pacific Daylight Time.

The event was organized by the Consulate General’s *Sentro Rizal* as part of its virtual commemoration program for the National Heritage Month (NHM) in May 2021.

It will feature respected members of the academe who have made significant contributions to existing literature on the topic, and other notable members of the Filipino-American community who have

successfully parlayed their way into leadership roles on entrepreneurship.

An open discussion on issues relevant to overseas Filipinos will follow after all the presentations.

Community leaders and members who wish to participate in the webinar are requested to register in advance through the link: <https://tinyurl.com/664uw6t4>

Zoom credentials shall be provided later on to those who have registered. END.
