ANNOUNCEMENT
Open Call for Applications to the
2022 NCCA Gallery and Exhibition Program

02 August 2021, Los Angeles – The Philippine Consulate General and *Sentro Rizal* in Los Angeles are pleased to inform the Filipino-American community that the National Commission for Culture and the Arts (NCCA) is now accepting exhibition proposals for the 2022 NCCA Gallery and Exhibition Program.

Since 2009, the NCCA Gallery, located at the lobby of the NCCA building in Intramuros, Manila has been offering its exhibition space, providing young and emerging artists a venue for exposure without curtailing creative exploration and expression. Likewise, established artists are given the opportunity to share their conceptual narratives to the audience and encourage engagements in the arts.

Exhibition proposals may be submitted by any Filipino citizen, or any group or institution based in the Philippines. Proposals from foreign institutions or groups should be coursed through the NCCA International Affairs Office. These proposals should be made in consonance with a diplomatic milestone celebration, pursuant to an international commitment arising from Philippine membership to international organizations, or to implement the provisions of an executive program of a cultural agreement.

The exhibition proposal may be accomplished in Filipino or English.
