The webinar was aimed at educating the

Filipino-American community on the country's real estate tax amnesty program and how to avail of the tax amnesty before it expires on 14 June 2023. More than 80 virtual participants attended the webinar.

In his welcome remarks, Consul General Edgar B. Badajos underscored that the webinar is part of the Consulate General's thrust to inform the community about Philippine government programs and projects that can help them even while they are away from the motherland.
